

Name: _____ School (circle) Bellville Butler

5th Grade Band

1st Day Assignment

(20 Point Completion/Participation Grade)

Due: Bellville: October 5 Butler: October 4

Steps:

- 1.) Get a parent and a screen.
- 2.) Together, go to clearforkbands.weebly.com/beginning-bands.html
 - a. You can also get there by going to www.clearforkbands.weebly.com and clicking on "Beginning Bands."
- 3.) Together watch and complete the video playlist for your instrument. This will take about 40 minutes total, depending upon your instrument. You must watch the videos in order. You do not have to watch all of the videos in one sitting.
- 4.) Once you have completed the videos, practice putting your instrument together until you can do it without help.
- 5.) Have your parent sign below and return this form to band class for 20 points on:
 - a. Bellville – 10/5
 - b. Butler – 10/4
- 6.) No internet at home? That's ok. Try to find a friend or relative's house to do the assignment. Maybe a friend or relative can lend you a smartphone with internet service. If not, you can watch the videos at the public library with headphones. The library offers free WIFI and computer terminals. Do not take your instrument to the library, just watch the videos and try the instrument out in band class.
- 7.) Don't have your instrument yet? That's okay. Watch the videos and follow along, that way you will know what to do when you do get one.

The student named above and I completed the videos in this assignment.

Signed: _____ Date: _____
